Re: High School Principal Report June 2022

School Board,

We completed another great year at HHS. We held graduation in a “unique location” this year but I feel like it was a big success. The Seniors really wanted to maintain the outdoor venue and with the construction taking place down on the football field currently we were able to hold a great ceremony on the upper grass field area. We held our end of the year staff meeting at the High School and although we are all ready for a little break we are also very much looking forward to the next school year as a staff. We truly are blessed with the team we have in place currently at the High School.

We received a great compliment via email this past week after the Senior all night party that I thought would be nice to read as a school board.

“Hi Matt,

Stuart Vickers here. Being a principal myself, I know at times you get more complaints than you do kudo's. My brother owns the bubble balls that were contracted for the HHS Seniors graduation party. I had the opportunity to facilitate this party yesterday evening. I just wanted to send you a quick email and let you know what a great group of seniors you had. They were so good to one another. They were very kind and respectful. So many of them, after participating, said "thank you". I enjoyed seeing their smiles and was grateful to be just a small part of their great night.

Their kindness and positive behaviors reflected the work that you are doing there at Homedale HS.

Awesome kids, awesome job.”

I would say this is a great compliment to our school district, our parents, and our community as a whole. We have a great family here in Homedale!
