Re: Linewize Filter Purchase Recommendation

In accordance with the approved 2023-24 Technology Capital Plan, this recommendation seeks to purchase a subscription for Linewize School Manager Cloud-Managed Filter, pending Board approval and the finalization of an agreement. This purchase includes a 17-month subscription that would begin in February and end in June 2025. This purchase aligns with the "Firewall Improvements" line item from the 2023-24 Technology Capital Plan and is below the planned budget.

Trafera, a reseller for this solution, provided the district with a quote of \$23,463. The summary of the recommendation is shown in Table 1.

Table 1 – Proposal Summary

Product	Provider/Vendor	Description of Work	Amount
Linewize School Manager Cloud-Managed Filter and Reporter	Trafera	17-month Term Subscription for 4,950 devices	\$23,463.00

All agreements are pending Board approval and the finalization of contractual terms and conditions.
