ACTION ITEM

BACKGROUND INFORMATION:

In addition to our teachers' base salary, many of our teachers receive a stipend or stipends for various extra duties.

In the attached pages are the stipends that we are proposing for the 2015-2016 school year.

Changes from last year include:

- New freshman coaches for both Baseball and Softball as well as an additional weight room supervisor, offset by a reduction in the number of assistant track coaches.
- Addition of several new club sponsors at the Middle School paid for by a reduction of the money paid for UIL Academics by limiting the payments made for students who place in an event to a model similar to that used at the High School.

BOARD ACTION REQUESTED:

We request that the Board approve the stipends for 2015-2016 as listed.
