Re: Request for Easement for Nicor Gas

PIN #11-12-126-001  
Re: Board of Education of Geneva Community Unity school District No. 304 Property  
South of Keslinger Road  
Proposed Easement to Nicor Gas (PIN #11-12-126-001)

Dear Mr. Petesch:

Thank you very much for your time and patience in this matter, Nicor greatly appreciates the School District working with us on this project.

**Easement:** As we previously discussed, for a total one-time fee of \$6,650, you would be willing to execute the easement that we reviewed. I have enclosed the easement again for your convenience. It needs to be one sided so that we may record it. I will provide you with a copy of the recorded easement once it is recorded.

**Construction:** Per our discussion, the main will be installed on the School District property using the bore method. The bore pits will be fenced at all times to keep them secure from the public and to provide additional safety.

**Payment:** In order to process the check for the \$6,650 payment, I will need a tax identification number. I have enclosed a W-9 to be filled out to facilitate this process. It usually takes two weeks to get the check to you after I request it.

Thank you again for your help and please do not hesitate to call me at 630.388.2094 if you have any questions. I may also be reached via cell phone anytime, including evenings or weekends, if that is more convenient for you, 331.215.3406. Please feel free to also email me anytime with any questions.

Thank you very much for your time and cooperation in this matter.

Very Truly Yours,

Amber G. Miller
