

## **Franklin ECA Travel Guidelines (February 2026)**

All extracurricular activities will have a limit of 50 miles one way to the school or competition. Only events assigned by the extracurricular activities governing body as part of post-season competition will be excluded from this policy. (Example: Sectional, State Finals, etc...) If a coach/sponsor opts to continue a regular season event outside this range, the sport will reimburse the school corporation for the cost associated with travel in excess of the 100-mile round-trip limit. The amount will be \$2.29 per mile for all forms of bus transportation, and these funds will be assigned to the individual sport, in coordination with the Athletic Department.

Coaches/sponsors are encouraged to reach out to the Transportation Director with questions concerning this policy or concerns about trip calculations.
