*Excellence and Equity in
Public Education through
School Board Leadership*

Dear Colleague:

The effects of the recession, the initiatives of a new Presidential Administration ... these and other factors are having a significant impact on school districts. Now more than ever, school boards need a strong organization at the federal level to promote public education and secure essential resources. Your support is critical. In these challenging times, the National School Boards Association is actively working on your behalf in Washington, D.C. Without your support, our influence is weakened.

Every dollar of your annual NSBA National Affiliate fee provides a return to your district through tangible benefits and influence on the federal decisions that impact your district. As you process the enclosed renewal invoice, I hope you'll keep in mind the important benefits your district receives every day as a National Affiliate:

- Up-to-date information on NSBA's advocacy efforts on Race to the Top, NCLB/ESEA reauthorization, e-Rate and other federal regulations and mandates;
- Analysis of cases working their way through the federal courts that could impact the way your district operates;
- An exciting new school grants program and resources that can help make special programs come to life;
- Access to sample school board policies on everything from cyberbullying to student searches;
- Discounts on professional development opportunities and publications like the WebChannel NA monthly webinar series.
- Special programming at NSBA's Annual Conference tailored to National Affiliate interests, and this year we will be hosting a **TED^x** session, a truly exciting opportunity!

If you like review the benefits you currently receive through the National Affiliate program please go to the National Affiliate website at: www.nsba.org or contact me.

We understand that finances are tight for school districts nationwide, so in addition to advocating on your behalf, we are working to manage expenses and efficiencies across all NSBA activities. And I'm happy to report that, even in these difficult times, your colleagues nationwide continue to renew their National Affiliate participation at greater than a 90% rate.

Thank you for your district's ongoing participation as an NSBA National Affiliate. Your voice is needed more now than ever.
