RE: TPSD Policy Exhibit ICA-E School Calendar for 2011-2012

Attached for information is TPSD Policy ICA-E School Calendar 2011-2012. The School Calendar 2011-2012 is based on the previously adopted Student Attendance Calendar and is designed to administratively organize the 180 student days chronologically by events including the beginning and ending dates for teachers and students. Additionally, the School Calendar 2011-2012 provides dates for student progress reports and report cards.
