Denton ISD 2018 Summer School Programs

Board Goals:

- I. **Vision**...In pursuit of excellence the district will
 - a. Develop a culture where learning is our first priority.
- II. **Teaching & Learning**...In pursuit of excellence the district will
 - f. Advocate and practice true accountability based on measurement of individual student progress over time regardless of external mandates.

Purpose of Report:

This report is provided to the Board of Trustees as an update on the outcomes of the 2018 Denton ISD Summer School Program, including Bilingual/ESL and Secondary.

The report shares information regarding 2018 Extended School Year (ESY) services for students with disabilities. Federal funds were used to provide services for eligible students. The intent of the program is to provide students who have lost skills during the traditional school year an opportunity to regain those skills. The provision of ESY is enforced through Individuals with Disabilities Education Act (IDEA) (34 CFR Part 300). Specifically, §300.309, §300.340-§300.350 extended school year services and §300.24 related services. A student's need for ESY is determined by the admission, review, and dismissal (ARD) committee. Eligibility is based on documentation that regression has occurred in a critical skill area. The data demonstrates that the child was not able to recoup lost skills within eight weeks of returning from summer break or two to three weeks after returning from a 7-14 day break.

Objectives:

Elementary

- Provide state mandated accelerated instruction for fifth grade students focusing on reading and mathematics as outlined in Texas Education Code (TED) Section 28.0211 and Title 19, Texas Administrative Code (TAC) Chapter 101, Assessment, Subchapter BB, Commissioner's Rules Concerning Grade Advancement and Accelerated Instruction.

Elementary Bilingual/ESL

- Provide state mandated program for bilingual/ESL pre-kindergarten and kindergarten students focusing on reading, math, and science as outlined in the 19 Texas Administrative Code (TAC) Section 89.1250.

Executive Summary

Denton ISD 2018 Summer School Programs

Middle School & High School ESL

- To provide English Language Learners (ELLs) currently enrolled in grades nine to twelve with a summer opportunity to recover credit(s) lost during the traditional school year.
- Serve as a dropout prevention measure.
- Provide in-depth instructional focus on critical content and process standards in the area of reading, writing, math, and science for ESL middle school students.
- Promote student engagement and higher order thinking skills.
- Use the four language development domains (reading, listening, speaking and writing) as a vehicle for providing students access to the content.
- Provide a culturally responsive classroom that takes into account the affective, linguistic, and cognitive needs of ELLs.

High School

- to provide accelerated and meaningful instruction for students to regain lost credits
- to provide accelerated and meaningful instruction for those students unsuccessful on STAAR
- to provide opportunities to take courses for advanced credit in speech, government, economics, and health plus access to a number of courses through TXVSN (on-line courses)
- to provide curriculum to target specific skill deficiencies and to accelerate the acquisition of those skills

Special Education

To maintain compliance with requirements of law while addressing opportunities for students to regain skills through:

- implementation of students' individualized education programs (IEPs) in a way to assure a free appropriate public education (FAPE) through accommodations and modifications
- provision of related services as appropriate
- documentation of student performance in Extended School Year

Operational Impact:

Elementary

Students attended a half day program for 12 instructional days during the month of June. The funding for this program came from Student Success Initiative, Title I funds, and Special Education funds. These funds were used for instructional materials, payroll, and transportation.

Executive Summary

Prepared for Board of Trustees Meeting August 28, 2018

Denton ISD 2018 Summer School Programs

Elementary Bilingual/ESL

Bilingual/ESL pre-kindergarten and kindergarten services are mandated summer school programs funded by local monies. Denton ISD will receive 20% reimbursement for the bilingual/ESL pre-kindergarten and kindergarten costs.

Secondary ESL

The funding was provided through the Title III grant.

Secondary

The funding for the general high school summer program came from the tuition generated from student registration.

The funding for the middle school summer school program held at Strickland Middle School came from Student Success Initiative, Bilingual/ESL, and Special Education funds.

Special Education

A collaborative effort in staffing and facility use was used to provide services for qualifying students. Federal funds were used to pay salaries for ESY employees. Services included instruction, LSSP services, speech and transportation.

			<p>teachers. A small teacher to student ratio allowed for differentiation to ensure students made progress.</p>	<p>meetings. Instructional Coaches worked with teachers in a coaching capacity to ensure time with students was maximized and instruction was meaningful. Summer school was successful due to the support from the Curriculum department and the specialist such as the Campus Testing Coordinator, Reading Specialist, and Math Specialist.</p>	
<p>Elementary Bilingual/ESL</p>	<p>Pre-K and Kindergarten Bilingual and ESL Students</p>	<p>178</p>	<p>Bilingual and ESL students received instruction in all content areas with a focus on literacy and math. All students were supported in both language development and content knowledge through best instructional practices for English Learners as outlined in the Dual Language framework and sheltered instruction practices. All students participated in engaging and authentic learning experiences within the workshop model. These learning experiences have prepared students for further success in Kindergarten and 1st grade by strengthening students' foundation skills and providing various enrichment opportunities, such as virtual field trips and access to technology.</p>	<p>The students with the most academic needs were provided targeted instruction based on their individual needs according to EOY SELI and ELI data. Experienced instructional interventionists supported these students by providing this targeted instruction on a daily basis in one-on-one and small group settings. Paraprofessional staff provided additional instructional support within the classroom.</p>	<p>Hodge Elem</p>

Denton ISD 2018 Summer School Programs

MS (including ESL)	6th - 8th	391	6th grade ESL students took the following courses for acceleration: math, reading, science, and writing. 7th grade ESL students took the following courses for acceleration: social studies, math, reading, writing and science. 8th grade students took math and/or reading for acceleration and retested. All students also participated in the Denton Public Library Summer Reading Program and received a free book.	ISTs and coordinators from curriculum planned with teachers weekly. Instruction was relevant and engaging and helped teachers maximize student learning. Students were able to use instructional technology in every subject.	Strickland MS
HS ESL	9th - 12th	86	ESL students took the following courses for credit recovery: English I, English II, English III, Algebra I, Geometry, and Chemistry. ESL Newcomer students also took a new course called Social Intelligence for ESL Students	ESL students earned 60 half credits in the first semester of summer school and 60 half credits in the second for a total of 60 credits earned in ESL HS Summer School.	Ryan HS
HS Credit Retrieval	9th-12th	224	Students completed courses to earn credit they did not receive during the school year. Most earn one or two credits, however, students have the opportunity to retrieve up to four credits. This allows students to get back on track for remaining on their grade level and to graduate on time.	Most students that need at least two credits commit to attending the entire summer for the purpose of receiving both credits.	Ryan HS
HS Credit Advancement	9-12 th	30	Thirty students earned credit for advancement while two students completed graduation requirements and awarded their diploma from their home high school campus.	36 credits were awarded for advancement.	RHS

Denton ISD 2018 Summer School Programs

Special Education Extended School Year (ESY)	PK-12 as determined by ARD committees	40	Special Education students in PreK-12th grade participated in Extended School Year Services based upon individual ARD committee determinations. A student qualifies for ESY based upon regression/recoupment data. The purpose of ESY is to help students recoup critical skills that they have lost during extended school breaks such as summer break and winter break. Students received services including academic instruction, music therapy/instruction, physical education, social skills classes, speech, student health services, and transportation. Students from Texas Woman's University worked with some elementary students to provide adapted physical education opportunities for the students. ESY goals and objectives are implemented during ESY. Student accommodations, modifications, and BIPs are addressed during ESY as well.	The provision of ESY is enforced through Individuals with Disabilities Education Act (IDEA) (34 CFR Part 300). Specifically, §300.309, §300.340-§300.350 Extended School Year Services and §300.24 related services	Evers Park RHS
