

CARES ACT

We are still finalizing the CARES ACT Grant. Faith Baptist Academy has elected to take part, so the amount of money we are getting will drop.

The Amount the Private School is getting is in dispute right now.

If the Federal Government decides to use the Title I formula then the 2 Private Schools are getting about \$10,795.. If the Federal Government uses the Title II Formula then another \$42,756 would go to the Private Schools.

The 42,756 is put on hold until this matter is decided.

Our portion to spend right now is \$338,141
