We are proud to congratulate Westchester Academy for International Studies student, Amelia Endicott, for being named a winner of the Texas Theatre Scholar Award. This award is presented to students who demonstrate excellence both in the classroom and on the stage through the Texas Theatre Scholar Distinction.

To be selected as a Texas Theatre Scholar, a student must be actively enrolled in school and a dedicated member of their campus theatre department in good standing. They must participate in theatrical programs throughout the school year and maintain a minimum cumulative GPA of 3.0 on a 4.0 scale (or its local equivalent) across all academic coursework. Additionally, students must meet any requirements set by their theatre program or school. Beyond academic and participation standards, Texas Theatre Scholars are recognized for demonstrating exemplary behavior and strong moral character, upholding the values of their theatre department, school, and community.

Congratulations, Amelia!
