Background Information

The purpose of these showcases is to celebrate and highlight the happenings in our schools and district. Each week a member of the Leadership Team will highlight an activity, group or individual from our district.

The Showcase highlight for tonight's meeting is Mandy Stokes and the RWHS Enrichment Time.

RWHS has been working on student engagement and belonging. In addition to this work, our teachers have begun to dig into professional learning around literacy strategies to improve our student proficiency rates. This led to us working to create space and time for both of these items to be a focal point, and now we have

Enrichment Time on Wednesday afternoons for 30 minutes. Students sign up for and have created some new clubs or organizational spaces to come together in and can make changes each week if they want to experience other spaces during this time. Our students are here to present about their experiences so far during this time and we will talk more about the literacy work at the next school board meeting.

The following students are scheduled to attend:

Belen Machado
Madison Tollefson
Issac Wiles
