

On behalf of the Oak Park District 97 Board of Education and Superintendent Kelley, thank you for attending tonight's board meeting. When you come to the board table to share your *Public Comment*:

- We request that you state your name and address for the record.
- Each speaker has 3 minutes to offer a *Public Comment*.
- If you request a reply to your *Public Comment*, that reply will not come tonight. In Section 6.2. of tonight's agenda, the Board and the Superintendent will decide the Board member or district representative who will, within 2 business days, make the initial contact regarding your *Public Comment*. Depending on the complexity of the issues in the *Public Comment*, the initial contact may not be the final contact.
- We welcome you to stay for the other Board agenda items, but we understand that our community members have busy lives, so please feel free to stay or leave after *Public Comment* as best fits your schedule.
