

# **PARKS AND FACILITIES SYSTEM PLAN OPEN HOUSE**

**MARCH 14, 2019**

**6:00PM- 7:30PM**

**BECKER COMMUNITY CENTER**

**Partnering with HKGI we have been working very hard to develop park and athletic facility concepts. This event will showcase those concepts and provide you with more information on the system plan, the steps that have been taken thus far and what is still to come. We welcome any and all feedback from the community on these concepts.**
