Re: 2018 Construction Projects (Masonry and Carpentry)

I would like to discuss bid responses received for the 2018 construction projects (masonry and carpentry) at Buchanan Elementary, Jackson Early Childhood Center, Livonia Career Technical Center, and Webster Elementary, along with the arch/entryway projects at Niji-Iro, the Administration Building, Garfield Community, and Churchill High School, during the next Building and Site Committee meeting on Monday, March 12, 2018.

As we've discussed previously with the Board, these two specific trades were rebid and, thus, were not ready for Board approval with the rest of the summer 2018 construction bids. Scott Smith from Plante Moran CRESA will be joining us at the Committee of the Whole meeting to discuss details.

Please add this request to the agenda of the Monday, March 12, 2018, Committee of the Whole Meeting. As always, let me know if there are any additional questions. Thank you.
