Purpose/Background:

There are two (2) basketball hoops along Lincoln Hall's driveway. A First Student athletic charter bus struck the western basketball hoop in December rendering it unfit for use. Under StudioGC's guidance, The Great Escape prepared two separate quotes to replace both hoop structures as soon as materials arrive and weather permits. First Student is committed to paying the District in full for the installation that replaces the western damaged hoop. The District would pay for the eastern hoop.

Fiscal Impact:

\$4,099.95 for the east basketball hoop installation

\$0 for the west basketball hoop installation after reimbursement from First Student, Inc.

Recommendation:

This summary is for informational purposes. The Administration requests direction from the Facilities Committee on next steps.
