**Notable Highlights:** We continue to enrich our students' educational experiences:

- Pi Day - Mrs. Bruce and her Pre-AP Math Club led 6<sup>th</sup> graders in many fun and creative activities involving circles and the number 3.14 (Pi).
- Published Authors - Jack Kingsbury, Linda Kirpatrick, Joe Wells, and Frank Roberts presented to our students and encouraged them to continue writing.
- Cultural Day - 6<sup>th</sup> graders brought in different items: foods, attires, photo albums, and artifacts representing different countries as they study World History.

**Principal's General Narrative:** We have begun to see the reflection of hard work, dedication, team effort, and support put forth by an outstanding team of faculty, staff, students, and parents at Jones Elem./Int. as results come back from our TAKS Testing. I commend EVERYONE for their continued dedication to education.

Respectfully,  
*Alma Gutierrez*
