Dear Ms. Guardipee-Hall,

I am writing today to rescind the resignation letter which I sent to you on Monday February 25, 2019. Since I gave such short notice at that time, I truly regret that decision. I am in hope of your leniency that you will rescind my resignation.

In my original resignation letter, I stated that it was an honor serving the District as the Director of Student Activities and I had gained great relationships with our Professional Staff, Coaching Staff and most importantly our students. I also expressed my gratitude for a rewarding employment experience with Browning Public Schools and with you personally. I feel it will still be in my best interest to continue to fulfill my personal and professional goals with Browning Public Schools.

I have taken some time for myself and came to realize the error I made by submitting this resignation. My goal has always been to have successful District Athletic and Activities programs, where students have developed lifelong skills and educational opportunities that will guide them to a brighter future. Browning Public Schools impact in the State of Montana in Athletics and Activities has always been strong and I have enjoyed, at all levels, my involvement with Athletics and Activities.

I apologize for any inconvenience this has caused. I hope you will accept this letter as a reversal of my resignation. I look forward to your acceptance so I can continue to work successfully with Browning Public Schools.

Thank you for your understanding and discretion.

Sincerely,

Tony Wagner
