

School Board Meeting:

January 23, 2023

Subject:

Roof Replacement Discovery Elementary

Presenter:

**John Heltunen, Director
Buildings and Grounds**

SUGGESTED SCHOOL BOARD ACTION:

Accept the low base bid submitted by B&B Sheetmetal and Roofing for \$658,700 to complete the reroofing project at the Discovery Building.

DESCRIPTION:

Enclosed is the letter of recommendation from Inspec Engineering along with the bid tab showing the 6 complete bids that were submitted.

The scope of the project is to replace two sections of roofing. One section is located above the classroom areas for the Elementary School and the other is the last uncompleted section of roofing that covers the second level of the building.

The tentative project schedule is June 12-August 18, 2023.

If you have any questions about this project, please feel free to call me at 682-8773.
