What's New?

Please join me in welcoming our newest Franklin Elementary and Eagle's Nest Learning Center family members. First, we are proud to welcome Ms. Karla McDonald. That name may seem familiar, and this is because after much hard work, Karla has finished her degree and is now a certified teacher. She has worked as our PPCD aide, and has now moved up to be our PPCD teacher. We are also honored to have Ms. Evah Montes on board as our new secretary/registrar. Not only is Evah a graduate of HHS, she has assisted her mother Mrs. Cheryl Montes in the office at HJHS. Her two children will be enrolled in our district. Finally, Ms. Jordan Jump will be joining our family as a new Eagle's Nest Teacher. Jordan is no stranger to education, as she is the daughter of our very own, Mrs. Glenda Gregory - HHS theatre teacher. Jordan has several years of experience as a daycare teacher, and is a welcome addition. Her daughter Praisley will be enrolled in our Eagle's Nest as well.

Summer Highlights

Our faculty and staff has been busy all summer. FES and the Eagle's Nest has been cleaned from top to bottom. Our teachers have been attending a variety of professional development activities - from the Texas Early Childhood Learning Summit to John Tanner, we have continued to learn and grow. In addition, many teachers have served on a variety of committees to ensure that our school year runs smoothly. We will be working on our new school-wide theme and a final master schedule when we return for professional development days.
