<https://www.dli.mn.gov/sick-leave>

1. Number of Days

The first year of employment only, the principals will be granted 24 days of sick leave. After the first year, all principals shall earn twelve (12) days of sick leave for each year of employment with the school district. A day will be interpreted to mean the principals' work day.
 2. Accumulation

Accumulation of unused sick leave days shall be unlimited. Each principal shall receive a written notice of the total number of accumulated sick leave days in each school year.
 3. Sick Leave Pay

Sick leave with pay shall be allowed by the school district whenever a principal's absence is found to have been due to illness or debilitating condition which prevented his/her attendance at school and performance of duties on that day or days.
 4. Accrued Sick Leave

Sick leave allowed shall be deducted from the accrued sick leave days earned by the principal.
 5. Workmen's Compensation

All absences caused by injury covered by the Workmen's Compensation Act are a part of the sick leave policy of the district. The fractional time a principal is absent from school and not paid by Workmen's Compensation will be charged against his/her accumulated sick leave. The fractional amount paid by the school district will be charged to the principal's accumulated sick leave.
 6. Family Leave

A principal who is absent due to illness of a member of the immediate family will be allowed five days in any one school year without salary deduction.
- Family Defined:
- Family members shall be defined by the Minnesota Department of Labor and Industry definition for Earned Sick and Safe Time (ESST). The website outlines what the state statute outlines as family members.
- <https://www.dli.mn.gov/sick-leave>
7. Unused Sick Leave

In the event of a serious illness, additional days may be granted by the Superintendent. This shall be deducted from accumulated paid sick leave.

Upon retirement from the School District, a principal's unused sick leave days shall be reimbursed to the principal at the rate of \$30.00 per day. Payment of this amount shall be in one payment on June 30th following the principal's retirement.
 8. Termination of Benefits

Benefits under this provision shall cease upon death of the principal except when both husband and wife have been employed by the School District until retirement (and both have been eligible to receive insurance coverage) in which case the survivor will have continued coverage under these provisions.
 9. Payments

If a principal dies with a portion of their unused sick leave unpaid, the balance due shall be paid to the principal's beneficiary, if any, otherwise to the principal's estate.

Bereavement Leave

Bereavement leave shall be granted to all principals without salary deduction. The absence, however, shall be deducted from the employee's accrued sick leave. The exact number of days allowed will be determined by the Superintendent.

Personal Leave

Personal leave will be identified as leave needed for personal reasons on student contact days. A principal will be able to use up to five personal days during a contract year which will not count against their accrued sick leave. Principals will add additional non-student days to their yearly work calendar to remain at 220 days. Personal leave days will be paid at the same rate as all other contract days. Notice will be provided to the superintendent in the event that a principal needs to be out of the building on a student contact day.
