Special **THANK YOU** to **Crista Hawkins** and **Erin Hirte** from the Oregon Dairy and Nutrition Council for donating 8 cooler bags. Oregon dairy farmers and processors provided the funding for this donation.

## Farm to School Grant

This year, through Farm to School Grants Food Services purchased commercial grade food processors for all 13 Three Rivers schools.

During the COVID-19 school closure food processors are essential for processing fresh produce for bus meal deliveries. Kitchen staff were excited to use this new equipment & production time was cut by more than half.

THANK YOU

“THANK YOU”
