Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

This out of state travel request is for attending the National Career and Technical Education Vision Conference. This conference aligns with board goals as well as district CTE goals for our Perkins funding. This conference breakout sessions revolve around strengthening CTE programs and increasing participation in our Programs of Study. This annual conference is held in Nashville TN Dec. 5-9, 2017.

Provide history/background information on your proposal:

This conference is paid for through Perkins and SOESD. The VISION CTE/STEM conference is an annual conference with presenters from across the west region. The agenda has specific presentations to TRSD issues and classrooms and I will be able to bring those back to our teachers in a followup conference. This conference is part of our district CTE plan and budgeted in our Perkins allocation.

List the advantages of your proposal:

Advantages of this grant would be for revitalizing our current CTE programs. We will learn more from the webinar 9-8-2017. The knowledge gained will be shared with our CTE/STEM teachers in a followup professional development training and travel costs are covered by CTE and Perkins funding. Estimated cost to TRSD is <\$175.

List possible disadvantages of your proposal:

The training is out of the state and will require travel.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Not attending the conference. This is the only ACTE this year or other closer locations would have been selected.
