DESCRIPTION:

The 2022-23 and 2023-24 calendars have been drafted. All the traditional breaks and legal holidays are observed. The Spring break will be in April for the next two years. This keeps the length of quarters and terms as close as possible.

The 2023-24 calendar includes the change to trimesters for Buffalo High School. This calendar will be reviewed again in 2023 before implementation.
