

Action Sheet

MEETING DATE:

May 19, 2021

AGENDA ITEM:

Discuss and consider option to renew contract with Mooring USA Restoration & Construction as the contractor of record in the event of an emergency or natural disaster

In 2017, the District issued RFP #2017-13 requesting proposals for Disaster Restoration and Recovery Services and awarded the contract to Mooring USA Restoration & Construction as the named contractor of record in the event of an emergency or natural disaster. The RFP allowed four (4) one-year contract renewals; therefore, this is the final renewal option period.

RECOMMENDATION:

I move that the board approve the one-year option to renew the contract with Mooring USA Restoration & Construction as the contractor of record in the event of an emergency or natural disaster.
