Dear Ms. Magin,

It is once again time to select a director to represent the Stephenville I.S.D. on the Erath County Appraisal District **Board of Directors**. Stephenville I.S.D. will place one name on the board for 2022-2023, a two year term. Debbie Hummel currently holds the position that is up for reappointment.

Limitations have been placed on these board members by the Texas Legislature. Board members cannot be a current employee of a taxing jurisdiction in this county. Elected officials however, can serve as board members. Also, board members may not be in a position to realize any type of monetary gain from the taxing jurisdiction.

To be eligible to serve on the board of directors, an individual other than a county assessor-collector serving as a nonvoting director must be a resident of the district and must have resided in the district for at least two years immediately preceding the date the individual takes office. An individual who is otherwise eligible to serve on the board is not ineligible because of membership on the governing body of a taxing unit. An employee of a taxing unit that participates in the district is not eligible to serve on the board unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the district. Property Tax Code Sec.6.03 Also refer to the Appraisal District Director's Manual Governance section Appointment, Eligibility and Terms. See attached.

I must ask that your selections be made available to me in written form by December 1, 2021. If you have any further questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Jerry Lee
Chief Appraiser
