Alaska Developmental Profile (ADP)

- The purpose of the ADP is to identify, record, and summarize the skills and behaviors students demonstrate upon entry to school, based on teacher observations.

- Student skills and behaviors are defined by whether students are consistently demonstrating 13-goals and indicators in the following five (5) domains from Alaska’s Early Learning Guidelines:
 - Physical Well-Being, Health, and Motor Development
 - Social and Emotional Development
 - Approaches to Learning
 - Cognition and General Knowledge
 - Communication, Language, and Literacy
- Once again, thank you to Mr. Tobias Frieb, our Kindergarten Teacher, and Mrs. Cindy Glore, our Title I Teacher & District Testing Coordinator, for ensuring the CES is in compliance with the ADP requirement.

CMS Quarterly Electives

- As CMS elective classes are quarter based, the start of Quarter 2 brought our middle school students choices for their new elective classes.
- First hour elective offerings include: Math Lab, Computer Science/iDidaclass, Yearbook, Basketball Fundamentals, & SEALS, Band, Study Hall. Whereas, seventh hour elective offerings include: Lit Corner, Uke Me, Science Tech II, Keyboarding, & SEALS.
- The CMS staff works diligently to provide students with the electives of their choice. However, due certain classes needing to be capped given the specific nature of that particular class, at times the chosen elective may be “full,” in which case students receive their alternative choice. In the CMS, we register students for their electives in the 8th grade first, then move to 7th grade, and then onto 6th grade last.
- As always, I will be available at the Board meeting to answer any questions the Board may have regarding scheduling and/or classes offered at the CMS. Thank you in advance for your support.

CEMS Vision & Hearing Screenings

- Alaska State Law, Sec. 14.30.127, states:

“A vision and hearing screening examination shall be given to each child attending school in the state. The examinations shall be made when the child enters school or as soon thereafter as is practicable, and at regular intervals specified by regulation by the governing body of the district.”
- The CEMS has scheduled Vision & Hearing Screenings for Wednesday, November 10th. Given Vision & Hearing Screenings were canceled last year due to the COVID Pandemic, all students in all grade levels K-8th, will be screened unless their parent/guardian specifies otherwise. Referral letters will be mailed home as designated by the screening results.
- On behalf of the CEMS, I would once again like to thank our parent volunteers: Mrs. Stacey Mank, Mrs. Annelie Maygren, and Mrs. Kara McCoy for their service in assisting our schools with the completion of screenings.

CEMS Honors Assemblies

- The CMS Quarter 1 Honors Assembly is scheduled for Tuesday, November 16th and the CES Quarter 1 Honors Assemblies are scheduled for Wednesday, November 17th. All assemblies will be held in-person in the CMS Gym and will be mitigated accordingly.

- CEMS assembly recognitions include: Honor Roll (3.0-3.49), High Honor Roll (3.5-3.99), Principal's List (4.0), Student Council, Cross Country, CES Specials (PE, Music, SEALS) Recognitions, and CMS Students of the Quarter.

CMS Students of the Quarter

- Please join me in recognizing and congratulating the following students for receiving CMS Student of the Quarter for first quarter:
 - Lorna Fithian (6th Grade)
 - Miles Lehman (7th Grade)
 - Jillian Ebbighausen (8th Grade)
- As done in the past, a member of the middle school staff recognized each student individually at the CMS Honors Assembly on November 16th.

CEMS Athletics Updates

- The end of our CMS Basketball & Cheer season is nearing as our last games are scheduled during the Island Tournament in Hydaburg from Friday, November 19th – Saturday, November 20th.
- The CMS Basketball and Cheer season will end officially on Saturday, November 20th.
