School Board Meeting Agenda Item

Topic: Data Sharing Agreements
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

On June 6th, the board discussed Data Sharing Agreements for the 2022-23 School year. After discussion, the board requested to review the Student Release form and to ensure that each agreement has the provision that private educational data pertaining to students will not be released without the informed written consent of the parent(s) and/or student.

Fernbrook will revise its agreement with the district to include Jennifer Tift, School Board Clerk, to sign on behalf of the district.

Recommendation

I move to approve the Data Sharing Agreements as presented except the agreement with Fernbrook Family Center will be changed to have the School Board Clerk sign on behalf of the district.
