

SCHOOL BOARD MEETING

December/2018

Athletic Director/HFC: Matt Garvin

Football finished the season with a 6-5 record and got into the playoffs, getting knocked out of the 1st round by Santo. Varsity finished the year with 33 players, we will lose 9 to graduation. JH finished the year with 20 players, 10 of those are 8th graders. Of special note, the football program lost only one player to grades. To highlight the football team, we had 10 players selected to the All District Team:

Hunter Coley-Newcomer of the Year (Superlative/Unanimous)

Bradin Thomas-Pride Award

Troy Conner-1st Team OLB

Clayton Laughery-1st Team Sec/2nd Team QB/2nd Team Punter

Jordan Wood-1st Team Kicker

JT Boyd-1st Team WR

Ryan Alaniz-1st Team OL/2nd Team ILB

Issac Haynes-2nd Team DE

Trey Gomez-2nd Team RB

D'Angelo Tepazano-2nd Team OL

As we move ahead: Evaluate our “quitting policy” in the Athletic handbook, focus on Basketball season, Strength and Conditioning program will intensify (except for Basketball players)! 14 athletes may be removed from the athletic period, about half have requested to leave at semester, the other half have lost the privilege to be there. Each case will be investigated and finalized by me.
