

Dr. Cox, Minico Administration and School board members:

Health Occupations Students of America(HOSA), Minico Chapter would like to hold a fundraiser for our State competition that will be held April 10-12, 2019 in Boise Idaho. Our HOSA chapter currently has 16 students that have registered to compete in: Health Science, Health Professions, Emergency Preparedness, Leadership, and Teamwork Events. The Fundraiser will help to cover cost for HOSA dues, uniforms, and any unforeseen expenses.

The fundraiser we have chosen is a dinner and silent auction. Auction items will be donated from local businesses. HOSA would like to hold this event in the Minico High School Cafeteria March 16th, 2019 6-8pm. Silent auction would be held during dinner.

If you have any further questions please contact me, Kodi Gregersen HOSA advisor at Minico High School.

Thank you,

A handwritten signature in black ink that reads "Kodi A. Gregersen". The signature is written in a cursive style with a long, sweeping underline.
