Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley and Grants Pass high school would like to form a "Cooperative" team for Boys Volleyball this spring season. Hidden Valley does not currently have enough participants for a full team. This co-op would allow interested athletes at Hidden Valley to participate in Boys Volleyball for the 2025 season. We ask that the board approves this request.

Provide history/background information on your proposal:

Boys Volleyball is an emerging sport for the state of Oregon. It provides students an opportunity to participate in a new activity, competing with teams throughout the state.

List the advantages of your proposal:

This gives Hidden Valley student athletes the opportunity to participate in extra curricular activities that would otherwise not be available to them

List possible disadvantages of your proposal:

No notable disadvantages at this time.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There are no other teams in available for this potential cooperative. Without this cooperative Hidden Valley student athletes would not be able to participate in Boys Volleyball this season.
