February 10, 2018

Dear District 205 Partner,

On **Saturday, April 21, 2018** the Thornton Township High School District 205 Academic Enrichment Foundation will again host its Annual Star Gala at the Glenwoodie Golf Club in Glenwood, Illinois. Since its inception in 2001, the Foundation has become a driving force in encouraging and funding innovative teaching and learning.

As a valued member of the Thornton Township High School District 205 community, the Foundation needs your help to make this year's event a success. To assist the Foundation in reaching its revenue goals for the current fiscal year, please consider the following donor options: individual or corporate sponsor; purchase of a ticket or table; an ad in our ad-book; a contribution of an item for our silent auction or raffle; or other monetary donations would be greatly appreciated.

The Foundation celebrates education as a profession and honors four individuals who have advocated for education and worked to improve the community through service. The Arthur Bennett Service award, The Ed Van Kley Service Award, The Rose McGill Service Award and the Dr. John F. Sullivan Service Award will be presented to four deserving individuals that live or work in one of the thirteen communities that are served by Thornton Township School District 205.
