

Board Report
Christine Ketterling
Federal Programs Director
January 5, 2022

ACCESS Testing

We are preparing to administer our annual English Language Proficiency Assessment. The assessment window is January 24-March 3. Results should be available near the end of May.

CFSGA and Federal Programs Monitoring

We have received final approval on our Consolidated Federal and State Grants Application. The CFSGA will be reviewed again along with additional documentation during our Federal Programs Monitoring this Spring. Documentation will be due to the State Department of Education by February 10. Their team will then begin reviewing the documentation and hold a final review on March 10, 2022.
