**Proposed “First Draft” 2018-2019 TPSD School Calendar**

This school year we asked that administrators across the district develop the school calendar. Committee members included Brenda Meriweather, Haley Stewart, Amy Barnett, Talina Knight, Amy Ferguson and Julie Connolly. We forwarded the options to administrators in order to share with teachers across the district.

Changes include the following:

- More PD days at the beginning of the year, rather than the end
- The addition of the Professional Development day in the fall
- The 60% day will remain as a parent conference day for elementary. Secondary schools would like a ½ day of PD rather than parent conferences due to low turn-out in the past.

We anticipate teacher input in the upcoming weeks. We will submit the calendar for approval in January.

No action is requested at this meeting of the Board.
