Report on Compliance with Public School Standards

2020-21 School Year

By November 1 of each year, school district superintendents are required by [OAR 581-022-2305: District Assurances of Compliance with Public School Standards](#) to report to their community on the district's status with respect to all of the Standards for Public Elementary and Secondary Schools. The Standards are adopted by the State Board of Education and set out in Oregon Administrative Rules Chapter 581, Division 22.

The table below contains a summary of Corbett School District's compliance with each of the requirements of Oregon's administrative rules found in [DIVISION 22 - STANDARDS FOR PUBLIC ELEMENTARY AND SECONDARY SCHOOLS](#) during the 2020-21 school year. For each rule reported as out of compliance, Corbett School District has provided an explanation of why the school district was out of compliance and the school district's proposed corrective action plan to come into compliance. The corrective action must be approved by ODE and completed by the district by the beginning of the 2022-23 school year.

581-022-2100 Administration of State Assessments	Out of compliance	We did not administer the assessments for the following reasons: 1. Students were only on campus 7-11 weeks at that time last year. The time was better spent learning than testing (testing would have to have been done on campus). 2. The data from testing would be of little value. Standardized tests are not a valid measure of a year that was anything but standard. Less than half (probably much less) of Oregon's students took the assessments, so the data is not normative. 3. Our students were finally in a good routine for the rest of the year. To shut that down for a week and bus every student in, in cohorts, for testing would have disrupted that "new normal." 4. Testing would not have been the best use of our resources. Most of our aides would have been pulled from supporting students to provide extra bus runs and 1-on-1 testing. Our administrators would have been pulled from their duties to supervise students who need extra time to complete their tests. Our counselors would have been needed for testing rather than providing the emotional support many of our students need right now.	We will administer the SBAC going forward.
