Notes about the Hiring of the Red Wing High School Assistant Principal:

After the resignation of Isaac Matzek, a RWHS Assistant Principal, the high school administration posted for a replacement. Over 20 applied for the position; some are currently licensed in the State of Minnesota as a principal and some are not. After two rounds of interviews, the high school administration selected a candidate with a Wisconsin license but not a Minnesota license. The selected candidate reportedly applied for a provisional license with approval expected in late September or early October.

Because the candidate is not currently licensed for an administrative position, the Personnel Committee reviewed the hiring process on September 7th. The most relevant section in the hiring procedures states "prior to reviewing applicants, the administrator determines the selection process, minimum qualifications, number of interviewees, and the minimum score for initial screening." It was concluded there was no evidence indicating the process was violated, so the hiring is recommended.

If requested, Principal Nemanich will provide information about the hiring process and answer any questions.
