Making the Most of School Closures

This has been an exciting winter season so far, with record snowfalls, frequent winter storms, and multiple school closures and delays. Planning for continued learning opportunities during these events can be a challenge.

After the first days of closure and delays, Unity has shifted to a flexible learning model on days when school is closed. For the remainder of the year, Unity students will participate in remote learning activities when school is canceled. For middle and high school students, these lessons and activities will be virtual, using the students's school assigned technology devices. Elementary students will be provided learning activities that can be done with or without technology.

Teachers will be providing "virtual office hours" where students can connect with them virtually. Teachers will be available via video meeting in Google Meet to answer questions, provide guidance, and lead activities. Specific times are communicated with students.

Unity appreciates the patience that parents and students have shown this school year. If parents have questions, or suggestions, about inclement weather days and flexible learning, they are encouraged to contact their child's principal.

Unity Wall of Honor Nominations Sought

Years ago, the Unity Board of Education established a "Wall of Honor" to recognize and honor the accomplishments of Unity alumni and employees. Criteria for selection to the "Wall of Honor" will be based on contributions in the areas of education, business, human services, government, athletic, military, fine arts, and community involvement. Alumni selection is based on post-high school accomplishments. The nominee will be screened by a selection committee, which will meet in early March. Deadline for applications each year is March 1st.

If you know of someone who is worthy of being considered for the "Wall of Honor," nomination forms are available at Unity's District and School offices. Additionally, application forms are available on the District website at www.unity.k12.wi.us. If you have any questions, call or write to Unity Wall of Honor, Unity School District, 1908 150th St./Hwy 46N, Balsam Lake, WI 54810; (715) 825-3515.
