It is a work in progress, but powerful collaborative discussions with school leaders are happening.</i>

Isaac Gamboa - Executive Director of Operations & Athletics:

Projects	<ul style="list-style-type: none"> ● HVAC Projects: 75 % Completed ● PreK: Working on the PSCOC application ● Other: Portables are on site. Contractors are working on final hook ups. Should be completed in the next two weeks. Portables are now completed and occupied. ● Restrooms at Ladera and Bluffview should be completed next week.
Maintenance	<ul style="list-style-type: none"> ● Bond Projects: Reviewing Priority 3 requests, receiving quotes, scheduling on going. Priority 4 projects continue to be reviewed. ● Building Request Status: Scheduling projects for spring break continues. ● Work Orders Completed: January, 792 requests completed ● PSFA has inspected Hermosa, Ladera, and Northeast. McKinley is scheduled next.
Student Nutrition	<ul style="list-style-type: none"> ● ECECD will be here on 2/10 – 2/12/25 to audit all CACFP sites. We are ready. ● Esperanza Elementary school was the winner of the January Breakfast Participation Challenge! Serving between 60 - 72 % of the entire student body breakfast every school day. We will look at one more breakfast challenge in April. ● For the third year in a row, we celebrated Elmo's birthday district wide at our preschool academies, elementary schools and even included the three private schools we sponsor meals too. A great time was had by all. ● We start round 2 of our 5 week cooking classes at Bluffview and McKinley Elementary schools on 2/18/25 both classes have a full roster. <ul style="list-style-type: none"> ● Session 2 of the 4H Club 5-week pilot program for middle schoolers in partnership with Boys & Girls Club of Farmington & NMSU Extension 4H, AMF & Gathings Gardens, will start on 2/25/2025, registration is open until 2/20/25. <ul style="list-style-type: none"> ● Will be applying for a second round of NM Locally Grown Grant funding from ECECD .

	<ul style="list-style-type: none"> ● Planning stages of the summer meal program in collaboration with other FMS departments and community partners. ● Had a visit from the newly appointed President of K12 by Elinor on 2/5/2025 and during his visit he made a decision that our program would become their company's Center for Excellence in the very near future. What this means is all of their future K12 by Elinor management staff in this segment of their business will train here.
Athletics and Activities	<ul style="list-style-type: none"> ● FHS: <ul style="list-style-type: none"> ○ Participation Numbers (HS & MS): ○ Updates: <ul style="list-style-type: none"> ■ With The City deciding to allow access to Ricketts baseball field only for games, our coaches and staff handled the situation admirably. Parks and Rec. staff commented numerous times on our professionalism through this challenging time. ■ As we approach the end of the Basketball seasons we are hopeful in our District and State tournaments in earning a spot in the tournaments. District 1-5A is extremely competitive in that both Boys and Girls have 4 teams in the top 10. ● PVHS: <ul style="list-style-type: none"> ○ Participation Numbers (HS & MS): ○ Updates: <ul style="list-style-type: none"> ■ Boys wrestling regionals will be held at PV on Feb 15th. 12 teams with 16 man brackets. ■
Transportation	<ul style="list-style-type: none"> ● We have completed our spring bus inspections. We had no major violations, no buses were taken out of service.

Nate Pierantoni- Executive Director of Support Services:

Exceptional Programs	<ul style="list-style-type: none"> ● The EPO Director, Assistant Director, and Coordinators attended the Winter Special Education Academy put on by the Office of Special Education in early January ● Thank you to our High School Transition Specialists Karen Georgina and Suzanne Kuschnerreit who completed an audit of IEPs for indicator 13 and submitted our files to the Office of Special Education. ● Gifted testing has been completed in 8 of our 10 elementary schools. We continue to see a downward trend in identification of
