On May 17, 2022, the Board accepted the attached proposed revised Policy 4118.113/4218.113 for 30-Day Review; it is brought forward to you now for adoption. The policy has been updated based on current recommendations of the Connecticut Association of Boards of Education (CABE). The policy revision, which is total, is represented in red. Harassment

The Woodbridge Board of Education strives to provide a safe, positive working and learning climate. Therefore, harassment, in any form, will not be tolerated in the Woodbridge School District. This policy applies to all students, staff members, Board members, parents, vendors, contracted individuals, volunteers, other employees, and other visitors -- who are on District grounds or property or on property within the jurisdiction of the District; on buses operated by or for the District; while attending or engaged in District activities; and while away from District grounds if the misconduct directly affects the good order, efficient management, and welfare of the District.

Employees, students, and others are expected to adhere to a standard of conduct that is respectful and courteous to all. The principle of freedom of expression that might otherwise protect the most offensive public speech does not protect or encompass a right to threaten the dignity and privacy of an individual. Such personally directed behavior will not be tolerated. It is contrary to academic values, debilitates its victims, compromises the offenders, and undermines the district's fundamental commitment to individual freedom and respect for all its members. Furthermore, acts of intolerance may destroy the very atmosphere in which freedom of expression is otherwise tolerated and cherished.

For purposes of this policy, harassment consists of verbal, written, graphic, or physical conduct relating to an individual's race, color, religion, sex, national origin/ethnicity, physical attributes or disability, parental or marital status, sexual orientation (including gender identity/expression), or age when such conduct/harassment:

1. is sufficiently severe, persistent, or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening or abusive education environment;
2. has the purpose or effect of substantially or unreasonably interfering with an individual's academic or work performance;
3. otherwise adversely affects an individual's learning or work opportunities;
4. is made either explicitly or implicitly a term or condition of an individual's education, employment, or participation in district programs or activities; and
5. exposure to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual; and

Harassment as set forth above may include, but is not limited to:

- verbal, physical, or written intimidation or abuse;
- repeated remarks of a demeaning or condescending nature;
- repeated demeaning jokes, stories, or activities directed at the individual.

For purposes of this policy, sexual harassment shall consist of unwelcome sexual advances; requests for sexual favors; and other inappropriate verbal, written, graphic or physical conduct of a sexual nature when:

1. acceptance of such conduct is made, either explicitly or implicitly, a term or condition of an individual's continued education employment; or participation in district programs or activities; and
2. submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual; and
3. such conduct is sufficiently severe, persistent, or pervasive that it has the purpose or effect of substantially interfering with the employee's job performance or creating an intimidating, hostile, or offensive working environment.

Examples of conduct that may constitute sexual harassment include, but are not limited to, sexual flirtations, advances, touching or propositions; verbal abuse of a sexual nature; graphic or suggestive comments about an individual's dress or body; sexually degrading words to describe an individual; jokes; pin-ups; calendars; objects;

graffiti; vulgar statements; abusive language; innuendos; references to sexual activities; overt sexual conduct; or any conduct that has the effect of unreasonably interfering with an employee's ability to work or creates an intimidating, hostile, or offensive working environment.

Each staff member shall be responsible to maintain an educational environment free from all forms of unlawful harassment. Each student shall be responsible to respect the rights of all students and to ensure an environment free from all forms of unlawful harassment.

Should harassment be alleged, it is the policy of this Board that it shall be thoroughly investigated, that there shall be no retaliation against the victim of the alleged harassment, and that the problem/concern shall be appropriately addressed.

In order to maintain a work environment that discourages and prohibits unlawful harassment, the Board designates the Director of Special Services as the District's Compliance Officer.

The Compliance Officer shall publish and disseminate this policy and the complaint procedure annually to students, parents, employees, independent contractors, vendors, and the public. The publication shall include the position, office address, and telephone number of the District's Compliance Officer.

The District shall annually inform students, staff, parents, independent contractors, and volunteers that unlawful harassment will not be tolerated with the school system.

Harassment Complaint Procedure

If a person believes that he/she is being or has been harassed, that person should immediately inform the harasser that his/her behavior is unwelcome, offensive, in poor taste, unprofessional, or highly inappropriate.

The person shall have the option of pursuing either an informal complaint procedure designed to educate the harasser and to eliminate the problem, or a formal complaint procedure that is defined below.

Any person who makes an informal oral complaint of harassment to the Director of Special Services will be provided a copy of these regulations and will be encouraged to pursue the formal procedure should the informal investigation and intervention, if required, prove unsuccessful in eliminating the objectionable behavior. However, it is not necessary for the person being harassed to wait until the offensive behavior is repeated before filing a complaint. Offensive behavior of an egregious nature would warrant an immediate and formal complaint be filed.

If, following requests to cease objectionable, harassing behavior, said behavior continues, and if the informal procedure has also proven unsatisfactory, or unacceptable, the person may pursue the formal complaint procedure, which involves submitting a written complaint to the Director of Special Services. The complaint should list the name of the complainant, the date of the complaint, the date of the alleged harassment, the name(s) of the harasser(s), where such harassment occurred, and a detailed statement of the circumstances constituting the alleged harassment.

All formal complaints and informal complaints involving staff are to be forwarded immediately to the Director of Special Services unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent.

Upon receiving a formal complaint, the Director of Special Services, will, as soon as possible, commence an effective, thorough, objective, and complete investigation of the complaint. The investigator shall consult with all individuals reasonably believed to have relevant information, including the complainant and the alleged harasser, any witnesses to the conduct, and victims of similar conduct that the investigator reasonably believes may exist.

The investigation shall be free of stereotypical assumptions about either party. The investigation shall be carried on discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation. Throughout the entire investigative process, the due process rights of the alleged harasser will be upheld. The investigator shall make a written report summarizing the results of the investigation and proposed disposition of the matter, and shall provide copies to the complainant, the alleged harasser, and, as appropriate, to all others directly concerned.

If the complainant is dissatisfied with the result of the investigation, he or she may file a written appeal to the Superintendent, who shall review the investigator's written report, the information collected by the investigator, and the recommended disposition of the complaint to determine whether the alleged conduct constitutes harassment. The Superintendent may also conduct a reasonable investigation, including interviewing the complainant and alleged harasser and any witnesses with relevant information. After completing this review, the Superintendent shall respond to the complainant, in writing, as soon as possible.

If, after a thorough investigation, there is reasonable cause to believe that harassment has occurred, the District shall take all reasonable actions to ensure that the harassment ceases and will not recur. Actions taken in response to situations of harassment may include reprimand, reassignment, transfer, suspension, expulsion, disciplinary action, or discharge from employment.

The harasser and any other involved individuals, if appropriate, will be informed that appropriate action shall be taken if further acts of harassment or retaliation occur. If further acts of harassment or retaliation do occur, appropriate action shall be taken.

All employees and supervisors shall be provided copies of the Board of Education policy concerning harassment, and this policy will be reproduced in all employee and student handbooks.

Personnel Policy

Harassment – Staff

The Board of Education believes that all employees and those who have a relationship or involvement with the school district should treat one another with respect for the individual's dignity. It is the policy of the Board of Education that all employees have a right to work in an environment free of discrimination, which includes freedom from all forms of harassment. The Board of Education in support of this belief prohibits all forms of harassment of employees by supervisors, fellow employees, students, agents of outside vendors, contracted services providers and community members.

Harassment of employees will not be tolerated. Any form of harassment related to an employee's race, color, sex, sexual orientation, religion, national origin, age, disability (physical or mental), marital, or veteran status will be considered a violation of this policy and will be treated as a disciplinary matter.

Harassment is a repeated or persistent form of inappropriate and deliberate conduct intended to annoy and/or undermine the employee relationship. It also includes unwelcome sexual advances and other forms of sexual harassment as addressed separately in Policy 4118 of the Woodbridge Board of Education.

If an employee feels that he/she is being harassed by a supervisor, any other employee, vendor, visitor, parent or other individual who has cause to be associated with the school district, the employee should, if possible, first let the harassing person know of their objections. If the employee finds it difficult to do so or that their first objections do not produce results, the problem characterized as harassment is to be reported immediately to the employee's direct supervisor. If the supervisor is the source of the harassment, the individual making a complaint shall report it to the Director of Special Services or the Superintendent.

To the extent practical, the employee's confidentiality and that of any witnesses and the alleged harasser will be protected against unnecessary disclosure. When the investigation is completed, the employee will be informed of the outcome of the investigation.

This policy prohibits retaliation against any employee who rejects, protests, or complains about harassment. The Superintendent will develop regulations detailing procedures for reporting and processing complaints in relation to harassment.

The Director of Special Services or another individual designated by the Superintendent will investigate every complaint of harassment, without bias or premature judgment. An investigation shall include interviews with the individual filing the complaint, the subject of the complaint, co-workers, and others who may have knowledge of the situation.

Retaliation against any employee who is the subject of harassing behavior or any witnesses is strictly forbidden and will result in disciplinary action.

Supervisors are required to investigate and report all incidents of harassment or suspected harassment brought to their attention. The failure to do so may be grounds for disciplinary action. Likewise, it is the obligation of non-supervisory employees to report any incidents of harassment or suspected harassment that may be brought to their attention to an appropriate supervisor.

The investigator will make every reasonable attempt to rationally and objectively resolve any questions of credibility between the complaining and the accused employee or individuals. Information obtained during the course of an investigation of harassment will be maintained in confidence and released only to individuals who have a need to know.

Harassment/Intimidation – Regulations

The Board of Education endeavors to provide all staff with a school environment that is free from all forms of harassment. Harassment does not only depend upon the person's intention but also upon how the person who is the subject of the behavior reasonably perceives the behavior and is affected by it. Harassment will not be tolerated by, among, or against employees of the school district. The Board recognizes that harassing behavior can originate from a person of either sex against a member of either the opposite or same sex. All members of our school community are required to adhere to a standard of conduct that is respectful and courteous to students, district employees and the general public.

The Board of Education condemns and prohibits all harassment. Unwelcome behavior is harassment, if submission to or rejection of it is made implicitly or explicitly, a term or condition of instruction or participation in an educational activity or the basis of evaluation or an academic decision, or if it has the purpose or effect of creating a hostile, intimidating or offensive work environment. Examples of such behavior include unwanted touching, insulting or degrading comments and the display of explicitly or suggestive gestures, objects, words or practices.

It is the express policy of the Board of Education to encourage victims of harassment to report such claims. Employees should promptly report complaints of harassment to the appropriate supervising personnel or the building principal or his/her designee. The Superintendent is directed to develop and implement specific procedures on reporting, investigating and remedying allegations of harassment. The right to confidentiality of the complainant and the accused will be respected consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when such conduct has occurred. There shall be no retaliation whatsoever against an individual filing a complaint of harassment made in good faith.

In accordance with employee organization agreements, the law and Board policy, a substantiated charge of harassment against a staff member of the Board shall subject such staff member to appropriate corrective action, which may include discipline up to and including suspension or termination.

In an effort to provide a learning environment that is free of harassment, the Board directs the administration to educate students and staff about harassment, emphasizing the areas of awareness and prevention. In addition, the Woodbridge School District will provide staff development for administrators and supervisory personnel and will annually inform staff of this policy.

Harassment/Intimidation – Regulations

PROCEDURE

Any employee who believes that he or she has reason to complain about harassment should report the alleged misconduct immediately to a supervisor, Special Services Director, the building principal or the Superintendent. The building principal, or if the building principal's conduct is in question, the Superintendent, will conduct a prompt, full and impartial investigation of any complaint of harassment and, if harassment is determined to have occurred, will design and implement prompt corrective action. Reprisals or retaliation against anyone making a good faith report of possible harassment will not be permitted.

All complaints of harassment will be treated with all appropriate confidentiality and in accordance with Complaint Levels 1, 2 and 3 as set forth below, consistent with applicable state and federal statutes and regulations.

REMEDIAL ACTION

Employees who are determined to have engaged in harassment will be subject to appropriate corrective action, including disciplinary action up to and including suspension and/or termination.

FALSE COMPLAINT

If it is determined that a complaint of harassment was not made in good faith or was deliberately false, the complainant may be subject to appropriate corrective action, which may include suspension and/or termination, consistent with personnel policy.

INVESTIGATION IN THE ABSENCE OF A COMPLAINT

The Board of Education may, in the absence of a victim's complaint, initiate an investigation upon learning of possibly harassing conduct.

STAFF RESPONSIBILITY

Any staff member who is made aware of a complaint of possible harassment must immediately report the complaint to the school principal. The school principal will verbally inform the Superintendent of Schools of the situation and the Superintendent or designee will assure the complaint is given proper consideration, and at the same time, protect the rights of the individuals involved.

CONFIDENTIALITY

The right to confidentiality of the complainant and the accused will be respected consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when such conduct has occurred.

LEVEL 1 COMPLAINT

Employees who believe they have reason to complain about harassment may request that an informal meeting be held between themselves and the appropriate member of administration. The purpose of such a meeting will be to discuss the allegations and remedial steps available. If an alleged incident of harassment is articulated in the meeting, the administrator will promptly discuss the complaint with the alleged harasser(s). Should the harasser(s) admit engaging in harassment, the administration will implement or initiate corrective action as appropriate, including if possible, obtaining the harasser(s) written assurances that the unwelcome behavior will stop and depending upon the severity of the charges, the implementation or recommendation of disciplinary or corrective action up to and including discharge. The administrator will prepare a written report of the incident and submit a copy to the Superintendent of Schools for inclusion in the perpetrator's file, as appropriate. All other documents shall be maintained in a separate, secure investigatory file.

If the charges are substantiated, the complainant will be so informed and that appropriate action has occurred to remedy the situation. In addition, the complainant is to be informed that any recurrence of harassing behavior or any retaliatory behavior, either by the original harasser or others, should be promptly reported.

Should the alleged harasser deny engaging in harassment or should the administrator conclude that any incident did not constitute harassment, the administrator is to so inform the complainant and invite him or her to submit a Level 2 Complaint. The administrator will file a report with the Superintendent of Schools, as appropriate, on the complaint and the actions taken to date. If the complainant does submit a Level 2 Complaint, a copy of it will accompany the administrator's report. If administration deems it appropriate, investigation may continue even absent a Level 2 Written Complaint by the complainant.

LEVEL 2 COMPLAINT

Level 2 Complaints may be submitted either initially to report any incidents of possible harassment or as a follow-up to an unsatisfactory resolution of a Level 1 attempt to resolve a harassment complaint. In the latter case, the Level 1 complaint is to be submitted to or by the administrator originally consulted, who will then forward it to the Superintendent of Schools, as appropriate, for action.

The Level 2 Complaint will be made on appropriate forms and be accompanied by copies of any applicable supervisory reports. The appropriate forms will solicit the specifics of the complaint including the names of the complainants, name(s) of the alleged harasser(s), date(s) and place(s) of the incidents, description(s) of the speech

or behavior, names of any witness(es), any additional relevant information concerning the allegations and information concerning any previous action taken to resolve this matter.

APPEAL PROCEDURE -- LEVEL 3

The complainant(s) or the accused harasser(s) may appeal to the next supervisory level or *finally* to the Board of Education if there is dissatisfaction with a formal investigation's conclusion as to whether harassment has occurred or with any remedial action taken. The appeal must include reference to the original complaint and a statement of the reason for the appeal. The Superintendent of Schools or the Board of Education will be provided copies of all relevant reports concerning the specific action being appealed along with the appeal document.

Remedial Action

Employees who are determined to have engaged in harassment will be subject to appropriate corrective action, including disciplinary action up to and including suspension and/or termination.

False Complaint

If it is determined that a complaint of harassment was not made in good faith or was deliberately false, the complainant may be subject to appropriate corrective action, which may include suspension and/or termination, consistent with personnel policy.

Investigation in the Absence of a Complaint

The Board of Education may, in the absence of a victim's complaint, initiate an investigation upon learning of possibly harassing conduct.

Staff Responsibilities

Any staff member who is made aware of a complaint of possible harassment must immediately report the complaint to the school principal. The school principal will verbally inform the Superintendent of Schools of the situation and the Superintendent or designee will assure the complaint is given proper consideration, and at the same time, protect the rights of the individuals involved.

Confidentiality

The right to confidentiality of the complainant and the accused will be respected consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when such conduct has occurred.

Level 1 Complaint

Employees who believe they have reason to complain about harassment may request that an informal meeting be held between themselves and the appropriate member of administration. The purpose of such a meeting will be to discuss the allegations and remedial steps available. If an alleged incident of harassment is articulated in the meeting, the administrator will promptly discuss the complaint with the alleged harasser(s). Should the harasser(s) admit engaging in harassment, the administration will implement or initiate corrective action as appropriate, including if possible, obtaining the harasser(s) written assurances that the unwelcome behavior will stop and depending upon the severity of the charges, the implementation or recommendation of disciplinary or corrective action up to and including discharge. Should the alleged harasser deny engaging in harassment or should the administrator conclude that any incident did not constitute harassment, the administrator is to so inform the complainant and invite him or her to submit a Level 2 Complaint. The administrator will file a report with the Superintendent of Schools, as appropriate, on the complaint and the actions taken to date. If the complainant does submit a Level 2 Complaint, a copy of it will accompany the administrator's report. If administration deems it appropriate, investigation may continue even absent a Level 2 Written Complaint by the complainant.

Level 2 Complaint

Level 2 Complaints may be submitted either initially to report any incidents of possible harassment or as a follow-up to an unsatisfactory resolution of a Level 1 attempt to resolve a harassment complaint. In the latter case, the Level 1 complaint is to be submitted to or by the administrator originally consulted, who will then forward it to the Superintendent of Schools, as appropriate, for action.

The Level 2 Complaint will be made on appropriate forms and be accompanied by copies of any applicable supervisory reports. The appropriate forms will solicit the specifics of the complaint including the names of the complainants, name(s) of the alleged harasser(s), date(s) and place(s) of the incidents, description(s) of the speech or behavior, names of any witness(es), any additional relevant information concerning the allegations and information concerning any previous action taken to resolve this matter.

Appeal Procedure – Level 3

The complainant(s) or the accused harasser(s) may appeal to the next supervisory level or finally to the Board of Education if there is dissatisfaction with a formal investigation's conclusion as to whether harassment has occurred or with any remedial action taken. The appeal must include reference to the original complaint and a statement of the reason for the appeal.
