CURRENT EVENTS

LOOKING AHEAD

- September 16–20 is Homecoming Week. Many student activities and athletic events will create a memorable week, capped off with a parade in Balsam Lake.
- October 8th is our wonderful annual Dig Pink Night at UHS.
- WIAA Playoffs begin Oct. 2nd for Girls Golf and Oct. 7th for Girls Tennis.
- October will include Parent Teacher Conferences as a great opportunity for staff and families to connect.

College Bound Math and Science

College Bound Math & Science is a year-round pre-college program for 9-12 grade students to help them realize their potential to excel in math & science; expose them to STEM majors and careers; and encourage students to pursue college degrees in these fields. CBMS students must be a first-generation college student or meet income eligibility guidelines. All free!

Teaching staff with a focus on collaboration and engagement.

Unity High School staff have always been a tremendous team of professionals that constantly support each other. This year we embark on a process of protected time each week for teachers to plan, do, study, and act regarding their impact on student learning.

Unity FFA represented at WI State Fair.

The Unity FFA Chapter had four members selected to perform at the Wisconsin State Fair this past week in the Wisconsin FFA Honors Band and Choir. Katelynn Duxbury, Jillian Fisher, Sam Majeske, and Jady Thaemert showcased their musical talents to hundreds of fairgoers. Jady will also attend the National FFA Conf. for the 2nd year as a part of the choir.

New Staff

Welcome back to Ms. Kathryn Highstrom. She previously served as an ELA teacher at UHS, and excited to be an Eagle again. Along with teaching ELA, she will provide reading support at UMS and UES.

What have UHS students been up to?

Student leadership groups have been busy planning and facilitating events at UHS. Student Council organized the first week of school to welcome our students back from the summer. FFA is busy preparing for the upcoming Fall Leadership Workshop, Ag Olympics w/ families, and the national convention in Indiana

Fall sports is well under way for middle and high school students. We have over 220 students participating in golf, volleyball, tennis, cross country, football, and soccer. New coaches include Trent Nyhus, Sierra Delozier, and Jessica Grams. Newly formed Eagle Ambassadors are busy developing student spirit and great sportsmanship.
