IT IS THEREFORE ORDERED BY THE BOARD OF TRUSTEES OF SBISD THAT:

(2) The presiding judge of each election precinct, the presiding judge of the central counting station and the manager of the central counting station are all authorized and directed to appoint at least two, but not more than five, clerks to assist such officials in their duties. The presiding judge of the early voting ballot board is authorized and directed to appoint at least two, but not more than seven, persons to serve as members of the early voting ballot board. Each clerk and each member of the early voting ballot board so appointed shall be an eligible voter of SBISD but need not reside in the election precinct for which the clerk or member was appointed. In making the clerk appointments, each presiding election judge shall make reasonable efforts to appoint a sufficient number of election clerks who are fluent in both English and Spanish to serve the needs of the Spanish-speaking voters of the precinct. If the number of such fluent election clerks is insufficient to serve the needs of the Spanish-speaking voters in the election, the authority holding the election, or designee, shall appoint at least one clerk who is fluent in both English and Spanish to serve at a central location to provide assistance for Spanish-speaking voters.

(3) The Secretary of the Board of Trustees of SBISD is hereby authorized and directed to deliver to the presiding judge and alternate presiding judge of each election precinct, the presiding judge of the central counting station, and the presiding judge of the early voting ballot board, the notice of the appointment as such, in accordance with Sections 32.009 and 4.007 of the Texas Election Code, as amended, and such other notices, supplies, and information as may be necessary or required in connection with their serving in the capacity as election officials.

(4) All election judges shall be compensated at the rate of \$18.00 per hour, or the hourly rate provided by law, whichever is more, for time actually spent working at a precinct polling place or annotating the list of registered voters who voted early. Alternate judges shall be compensated at the rate of \$16.00 per hour, or the hourly rate provided by law, whichever is more. Clerks shall be compensated at the rate of \$14.00 per hour, or the hourly rate provided by law, whichever is more. A judge or clerk may not be paid for more than one hour of work before the polls open, except for payment made for work to annotate the list of registered voters who voted early. A judge or clerk may not be paid for more than two hours of work after the time for closing the polls or after the last voter has voted, whichever is later. Early voting clerks and deputy early voting clerks who are permanent district employees are appointed to serve without additional compensation.

This Order is adopted by the Board of Trustees of SBISD this \_\_\_\_\_ day of January, 2026.
