Memo

To: Board of Education
From: Dr. Andrew Wise
Date: December 10, 2025
Re: Title Change for Rusty Novotny

In order to meet the evolving needs of the Technology Department, the District will add a **Data and Systems Specialist** position and transition **Rusty Novotny** from *Senior Systems Administrator* to *Assistant Director of Technology*. This restructuring aligns with district goals by strengthening leadership within the Technology Department, ensuring effective management of complex systems, and supporting the district's commitment to operational excellence and data-driven decision-making.
