

**HES Board Report  
August 2018**

Although students will not arrive on campus until next week, our campus has been filled with teachers for days. Our staff is eagerly preparing their classrooms so that students will immediately feel welcome to the new year. Our official theme is “HES Chooses Love! We are #OneFamily”.

Currently our projected numbers are:  
Kindergarten 145 (20 new students)  
1<sup>st</sup> Grade 138 (9 new students)  
2<sup>nd</sup> Grade 153 (7 new students)

HES is welcoming several new staff members. We are excited to add the following people to our campus family. It is evident that our new additions are going to create some amazing learning opportunities for their students.
