On March 13th our 7th grade Students visited the Boise State University Campus. Students met at the Simplot Ballroom, located on the second floor of the Student Union Building at 10:30am. They started the visit with a chemistry show for about 1 hour. Following the chemistry lesson they toured the campus by following a "scavenger hunt". The tour was supervised by teachers who met BSU tour guides at various spots around campus. Students were able to hear information about the buildings and ask questions.

On April 11th there will be a STEM demonstration during 7th grade science class and teachers will participate in a STEM PD on April 12th facilitated by DaNel L. Hogan Director of The STEMAZing Project.
