Book: The BFG by Roald Dahl

This book is about a giant and a little girl that try to defeat giants and save the WORLD! My favorite part is when the BFG has breakfast with the Queen. You will love this book because it has good descriptions and is fantastic. It is a book you can't take your eyes off!

Special thanks to the Pereira family for their generous donation of
lightly used books to our library!

**REMINDER!...Our Annual Scholastic Book Fair Gala
