March Library Pop-up: Monarch & Bluestem Book Vote

Lisle Elementary School wrapped up its final Library Pop-Up of the year with a school-wide celebration of reading! Students in grades K–5 visited the LES Library Resource Center to cast their votes for their favorite Monarch and Bluestem Award titles. K–2 students participated on March 11, dressed in orange to represent the Monarch Award, while grades 3–5 voted on March 12 in blue for Bluestem. School winners were announced at the end of the day on March 12. The event was a fun, engaging way to close out the year and celebrate a love of reading across the whole school.

[District Fine Arts Festivals](#)

Lisle 202 has had a wonderful season celebrating our students' talents! Our Choral Concert on March 11th was a night filled with music from our talented singers. Choirs from 4th through 12th grade each performed pieces and wrapped up the concert with a collaborative effort, with all choirs joining together for a beautiful finale. Then on March 18th, the excitement continued with both the District Art Show and Band Festival. The Art Show gave students across the district a chance to showcase their creativity, with artwork from elementary through high school filling the space with color and imagination. The Band Festival brought even more energy, highlighting our incredible student musicians, and culminated with a specially commissioned piece performed by all the district bands together.
