## News from Mr. Regal

Hello Evergreen Family,

I just wanted to take this opportunity to thank all of you for another “**AMAZING**” year at Evergreen Elementary, even though we ended it in a very unprecedented way through “Distance Learning”. I want to “**PRAISE**” the staff, students, families, and community for all their support and dedication during the last few months of school by making sure kids were safe, fed, and educated during this school closure. The staff has done a “**STUPENDOUS JOB**” this year instructing our students and modeling appropriate behavior for all especially during the last few months of the year.. **Success of students cannot be accomplished without a partnership between school and home, so I would like to thank the parents, assistants, and teachers for creating a “ POSITIVE LEARNING ENVIRONMENT” FOR ALL KIDS AT EVERGREEN ELEMENTARY!!!**

**KIDS, HERE IS MY CHALLENGE FOR ALL STUDENTS THIS SUMMER:**

**PLEASE MAKE SURE WE ARE DOING OUR SUMMER READING AND PRACTICING OUR MATH FACTS THROUGHOUT THE SUMMER. THIS MEANS TRYING TO READ A BOOK FOR 20 MINUTES A DAY AT LEAST 5 DAYS A WEEK AND WORKING ON MATH FACTS (ADDITION, SUBTRACTION, MULTIPLICATION, AND DIVISION) FOR 15 MINUTES A DAY FOR 5 DAYS A WEEK! THIS WILL HELP KEEP OUR SKILLS SOLID AND SHARPENED FOR THE FALL.**

Finally, I just wanted to thank all of you for the last 8 years at Evergreen Elementary. It has been an honor and a privilege building amazing relationships with each and everyone of you. I will miss my “**Evergreen Family**” as I move on to my next adventure in our district.

Be safe and enjoy your summer!

I truly will miss you all,  
David Regal

Summer Foods Program  
Starting June 15th and continuing thru August 14th, we will continue our drive thru food service out in front of our school from 11-12, Monday - Friday. We will be handing out lunch with breakfast for the next day included.

Dear Club Families,

We hope that you and your family are well during these uncertain times. We think about each of you daily and we can't wait to greet your kiddos with smiles and high fives at our Club doors again!

With our county reopening, we know many of you are looking for safe and fun options for your kids. As of today (May 15), we look to reopen the Illinois Valley site in the fall for after school programming. We continue to await new guidelines from the State, and are working on options to provide some sort of service to your community this summer that is both safe and affordable. Please connect with our website and social media pages for updated information as we learn about the new regulations.

We'll send more information once we have it available. Remember to check out our YouTube page for fun and interactive activities, and enjoy our weekly Enrichment Packets provided during meal times at Evergreen School through the end of May.

Well wishes and stay safe!

Sincerely,

Jenna Larkin,

Illinois Valley Program Director

## Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
