Board Policy CQC(Local) is also a part of TASB Update 123 but was not brought to the Board at the August Board meeting. The administration chose to withhold CQC(Local) from adoption in August, because the underlying state-issued guidelines referenced in the policy had not yet been issued by the state on the date of the August Board meeting. The guidelines were issued on August 22, 2024, so CQC(Local) was discussed with the Board at the meeting on September 17, 2024.

A summary of the content created for this policy includes:

- CQC(LOCAL)- Technology Resources Equipment

This is a new local policy that meets the legal requirement for the board to adopt the model health safety guidelines developed by the Texas Education Agency and the Health and Human Services Commission as it relates to the effective integration of digital devices in the district.
