

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13**  
**BOARD OF EDUCATION**  
**Bloomington, Illinois**

Regular Meeting July 27, 2020

**FOR INFORMATION:**

**Subject: Superintendent's Report**

**Board Union Meeting-**

On July 15, Mr. Boebel and Mr. Moreth met with new Union President Justine Albig and new Union Vice President Layne Winiarczyk to review items that have been addressed since last November as well as to coordinate some work together on the reopening plan for the District.

It was agreed to:

- Send out joint communication to the community and staff on the key components of the Return to Learn adaptable plan;
- Release simulated student and staff experiences for better understanding of the adaptable plan in place;
- Survey the parents as to which option for their child(ren) would be best: in-person instruction (with modifications) or 100% remote learning

The group will meet again on Wednesday, August 12 to discuss other actions moving forward.

**Summer Work Group Update-**

At the meeting, I will present the survey data from the community and the staff. After briefly reviewing this, I will share elements of the Return to Learn adaptable plan in a separate presentation. The presentation I am offering in the packet may be more involved and include slides you do not see as the plan is still under construction at the time of the creation of the board packet.

The executive summaries of my presentations are attached for your review.
