ALBANY ELEMENTARY
BUILDING GOALS**

GOAL 2: Albany Elementary will increase reading proficiency on the grades 3-6 MCA from 67%-72%.

| <i>ACTION</i> | <i>TIMELINE</i> | <i>RESPONSIBILITY</i> | <i>RESOURCES</i> | <i>MEASURABLE INDICATORS</i> |
|---|------------------------|---|--|--|
| Teachers will fully implement Reading Wonders and in doing so will become more familiar with the Reading Language Arts standards. Guided reading will be implemented by the end of the school year. | Ongoing | Classroom Teachers | Time during PLC meetings. The Next Step in Guided Reading | We will use test scores on the MCA (grades 3-6) and AIMSweb (grades 1 and 2), and STAR (grades 1-6) to measure the impact of our plan. |
| Teachers in grades 1-6 will identify the standards covered in each grade level to ensure these standards are being addressed comprehensively before the MCA is taken. Time will be provided during PLC meeting times. Teachers from Albany and Avon will work together to complete this task. | Ongoing | Classroom Teachers | Time during PLC meetings | We will use test scores on the MCA (grades 3-6) and AIMSweb (grades 1 and 2), and STAR (grades 1-6) to measure the impact of our plan. |
| Staff will continue to work towards proficiency in using the STAR 360 data. | Ongoing | STAR training arranged by BLT. STAR champions, Robby Anderson | Robby Anderson Time during data retreats and GLTM | We will use test scores on the MCA (grades 3-6) and AIMSweb (grades 1 and 2), and STAR (grades 1-6) to measure the impact of our plan. |
