

Memo

To: Board of Trustees
From: Rob Sauer
Date: April 6, 2023
Re: Superintendents Board Report

Updates

- We will be attending the post legislative tour on Thursday, April 13th at NNU. We are hoping the session is done any day now. Ideally before our meeting on Thursday.
- The issue of enrollment versus ADA has not been decided yet. There is still confusion as to what the State will be doing and the direct impact on the districts.
- I will be meeting in the next week with each of the schools to discuss the legislative session and what the impact might be for our district and staff. Debbie and I will also begin meeting in the next two weeks with the building representatives to work on the negotiation process.
